Old Business Doug reported that two letters have been sent on the FEMA buyout process: Nase and Heron. DEP required that papers be signed for a public water source on the Buckley property across from the trailer park. The Marcy property required a new assessment. A request has been sent for reimbursement from PEMA and FEMA in the amount of \$6,350. So far there has not been a response from the new owners of the Goodrich property. If none is received, the property will be removed from the buyout leaving four instead of five. Dave asked if the township has to mow these properties, can we get a brush hog reimbursement. Doug will check into this.

New Business Doug reported that new agenda posting requirements of Act 65 of 2021 will become effective August 29. After the agenda is approved by Doug, Linda will post the agenda. Even though the township does not own the website, Lennie will post the agenda if received by Monday or Tuesday of meeting week.

Doug will meet with Lennie to correct the website in the error of the list of Ordinances.

There was a complaint on the storage of garbage on a local property. Attorney Mike Giangrecco handled it for the township and sent a letter to the owner of the property.

A resident left a note explaining their bags of cans and jugs left by the recycling red dumpster. Linda will write a letter to him on the dates and times for the recycling to be open.

Meetings The Planning Commission will meet on Monday, August 9, 2021 and the township meeting is Thursday, September 2, 2021

Correspondence A letter has been received from the Susquehanna County Tax Claim Bureau explaining Act 33 effective June 30, 2021 in regards to any tax sale held by the Bureau. Linda will keep the letter should this occur.
