Treasurer's Report

A treasurer's report was presented. (see attached) Lori Raub made a motion to accept, seconded by Steve Roe. Darin DeRose said yes. Motion carried.

Public Comment

Bill Kilmer spoke about the stone quarry traffic and asked the public to please notify if there are issues. Darlene Garner asked about a noise ordinance. Kevin Noonan asked for clarification on communication and park reservations. He also asked about a township website and planned road work. Rach Magargal spoke about how she and her husband update the sign info each month; the supervisors suggested a different layout.

New Business

After reviewing the purchase history, which has not exceeded the bid threshold, and speaking with the solicitor; Lori Raub made a motion to use the 3 bids that were accepted at the last meeting as phone quotes to purchase the fuel needed. Steve Roe seconded. Darin DeRose said yes. Motion carried.

The supervisors informed the residents of Smith Drive, Mountain Valley Road, and surrounding areas that they are in the process of reviewing options with the solicitor; but it's most likely going to come down to the fact that residents should contact the state police when issues arise because any other solution, zoning or ordinances would become too costly for the township. Residents asked about speed limit signs and a noise ordinance.

Darin DeRose gave a road report, they are still working on Jones Creek Road, finishing up Lyons, Mt. Valley and Smith Drive. He will work on gathering quotes for speed limit signs.

Adjournment

With all business finished, at 7:44 PM, Steve Roe made a motion to adjourn the meeting, Darin DeRose seconded. Motion carried.

Respectfully,

Liberty Township Secretary-Treasurer
